

# KHORR – Course Map

-  Crews proceeding upstream to race
-  Racing crews
-  Crews returning upstream after racing

 Casualty landing place (numbers as in Accident Plan A)

**There will be 4 safety boats. 3 will be patrolling the first, middle and final sections of the course and the 4<sup>th</sup> boat will be stationed at the finish to assist with marshalling and to observe safe navigation in that area. The SJA Ambulance will be on the Middlesex towpath downstream of Ravens Ait**

Crews will be held at Hampton Court Bridge and Ditton Bend 10 minutes before race time

Crews returning to Walbrook RC turn anti-clockwise around downstream buoy
