

SCARLET BLADE - SUPPLEMENT

A very brief newsletter to tell you about some forthcoming events at the Club that you really should try and attend.

To briefly bring you up to date with our progress in rowing this season, we have won some 55 trophies at this early stage!

We will be competing in force at Nottingham International, Twickenham, Walton, Reading, Civil Service in the next few weeks so come and see us in action.

We have two major events in the next months - a party for everyone at the Club and a veterans supper which we hope everyone over the magic age of 27 will attend with partners. Two notices are enclosed to give you times and dates. Come and see the progress of the bar extension - it is over half-completed already.

I must also give notice of the Annual General Meeting on 26th July which will also be the date of a special general meeting to discuss subscription rates and the new ARA licence fee for oarsmen.

There will be a fuller newsletter before Henley.

Hope to see you soon,

SCARLET BLADE
